

GOVERNMENT OF JAMMU AND KASHMIR
DEPARTMENT OF MINING
Civil Secretariat, J&K

PUBLIC NOTICE

An Online Web Portal / G2B2C Portal <https://geologymining.jk.gov.in> was launched on 24.08.2022, developed by Department of Geology and Mining for e-Marketplace i.e., for sale of minor minerals at notified rates for convenience of general public and e-Challan i.e., replacement of current manual colour-coded Challan with QR-coded e-Challan through which Project Proponents / Mineral Dealer License Holders / Crusher Unit Holders and Short Term Permit / Quarry / Mining Lease Holders shall apply / submit Online Form-A for Transportation of Minor Minerals in the J&K UT.

Information is hereby given to the General Public at large that any person / entity, company, firm, institution, consumer can purchase the minerals (construction material) from the legal vendors on notified Government rates with assured service deliverance within the time frame by using our Departmental Web Portal <https://geologymining.jk.gov.in> and the legal vendors shall ensure to issue only e-Challans in respect of the minerals being sold by them.

The Department, in co-ordination with other Departments, shall also conduct mass awareness programs at Divisional levels, District levels and even Panchayat levels, to sensitize General Public about this historical step for bringing paradigm shift in the working of the Mining Department through the launch of this Web Portal.

The consumers / legal vendors can login into the Departmental Web Portal <https://geologymining.jk.gov.in> by using the following road map (**Detailed User Guide can be downloaded from the Departmental Portal for the said purpose**):

Step 1	Type the URL on the browser (< https://geologymining.jk.gov.in >)
Step 2	At home page, one-time registration is required in respect of consumers (Legal vendors are already registered).
Step3	After registration, Click on the Login button. Login page will open.
Step 4	Login by Typing 'Username' and 'Password' along with Captcha.
Step 5	Account of the Consumer / Vendor will open.
Step 6	For choosing the Mineral, click on Mineral button. Apply Filter page will open.
Step 7	Scroll down in Apply Filter for selecting Type of Mineral and District or the Consumer can manually search by selecting the required Mineral and District.
Step 8	Place your requirement in Quantity and Request.
Step 9	Consumer may upload the Payment Receipt by clicking the Payment Button.
Step 10	Consumer can visit their Dashboard to view their Orders and Current Status of the Order.

For further information and addressing of queries on the same, any members of the General Public can feel free to contact at following Helpline Numbers / Email during the Office Hours:
